GENEALOGY REQUESTS
Revised 2010

*THE PUBLIC MAY VIEW ANY INDEXES PRIOR TO 1916.

There was no law requiring records prior to 1916 to be recorded with the State Registrar, therefore, certain records may not be filed in this office.

BIRTH and MARRIAGE records 75 years old and older are considered genealogy and the cost per search is \$5.00. If certified copies are required for a legal purpose, the cost per search is \$13.75 (plus \$6.00 for each additional certified copy of the same record). Birth records begin in 1877 and marriage records begin in 1825.

DEATH records that have been on file at least 20 years are considered genealogy and the cost per search is \$5.00. If records need to be certified for a legal purpose, the cost per search is \$15.75 (plus \$8.00 for each additional certified copy of the same record). The death records begin in 1877.

*All records considered genealogy will be looked up by the genealogists and returned **by mail** to the requestor. Clerks will look up non-genealogical records that require certification.*

The public may fill out forms to request copies of records for genealogy purposes. They must pay \$5.00 in cash, money order, or cashiers check per search at the time of the request. Additional copies of the same record are \$4.00. Search fees cannot be refunded if the record is not found, but a "No Record" certification will be issued.
