**SUBJECT:** Report 02, Weekly Construction Update for Week Ending 04/09/2016

---

Construction that has occurred over the past week is as follows:

- Demolition of the existing bridge structure was completed. Remnants of an older bridge were unearthed and removed as well.
- Tree removal debris was incinerated on site.
- Construction of the north abutment embankment began, but was stalled by wet and cold weather conditions.

Construction that is currently planned for this coming week is as follows:

- Construction of the north abutment embankment will continue.
- Temporary erosion controls will be installed.

The project is being overseen by the Peoria County Highway Department. The current estimated completion date is October 2016. Weather and unforeseen conditions will always affect the schedule.
