SUBJECT: Report 03, Weekly Construction Update for Week Ending 04/16/2016

Construction that has occurred over the past week is as follows:

- Removal of the existing paved ditches was completed.
- Existing pavement was removed from station 214+00 to 224+00.
- Existing culvert at station 215+00 was filled with CLSM and then abandoned.
- Rough grading of slopes and ditches from station 213+00 to 224+00. Further construction of the north abutment embankment was postponed for the week.
- Construction layout for earthwork items was performed.

Construction that is currently planned for this coming week is as follows:

- Construction of the north abutment embankment will resume.
- Earthwork for slopes and ditches will continue.
- Temporary erosion controls will be installed.

The project is being overseen by the Peoria County Highway Department. The current estimated completion date is October 2016. Weather and unforeseen conditions will always affect the schedule.
