LANCASTER ROAD BRIDGE REPLACEMENT  
CONSTRUCTION NEWSLETTER**

**DATE:** 4/10/17

**TO:** Peoria County Road Users

**FROM:** BILL PEARSALL, RESIDENT ENGINEER  
Phone: (309) 697-6400 Ext. 0

**SUBJECT:** Lancaster Road Bridge Replacement

---

Stark Excavating and their subcontractors are planning to begin moving equipment onto the job site and to start working this week. They will begin by building up Croy Lane and the driveway to the southwest of the bridge. Once those are open to traffic bridge work can begin.

All of the utilities, except the watermain, have been relocated. The watermain relocation will be completed by Stark Excavating as part of the road reconstruction. However, spring rains have not allowed work to begin. Even with this delay in starting, the bridge and roadway will be open to traffic by November 21, 2017.

Again, during construction, Lancaster Road will remain CLOSED to through traffic. However, residents will still have access to their homes and property.

Weekly newsletters can be found on the Peoria County website at:  
[www.peoriacounty.org/countyhighway/construction-projects/](http://www.peoriacounty.org/countyhighway/construction-projects/)

Thank you in advance for your patience and cooperation during this project.
