LANCASTER ROAD BRIDGE REPLACEMENT  
CONSTRUCTION NEWSLETTER**

**DATE:** 7/14/17

**TO:** Peoria County Road Users

**FROM:** DALE SMITH, RESIDENT TECHNICIAN  
Phone: (309) 697-6400 Ext. 0

**SUBJECT:** Lancaster Road Bridge Replacement

---

This past week Stark removed the existing pavement east of the bridge and trucked the millings across the bridge to be used as fill. Stark started placing the new water main on the south side of Lancaster Rd. starting at Lee Ann Court going east. Stark also did some clean up at the bridge. Stark placed some erosion control measures on Friday.

Next week water main construction will continue. Also next week Miller & Sons Constr. will do some earthwork on the east side of the bridge.

During construction, Lancaster Road will remain CLOSED to through traffic. However, residents will still have access to their homes and property. With the existing roadway removed access will be maintained on gravel until the new pavement is installed later this year.

Weekly newsletters can be found on the Peoria County website at:
