LANCASTER ROAD BRIDGE REPLACEMENT
CONSTRUCTION NEWSLETTER

DATE: 8/28/17

TO: Peoria County Road Users

FROM: DALE SMITH, RESIDENT TECHNICIAN
Phone: (309) 697-6400 Ext. 0

SUBJECT: Lancaster Road Bridge Replacement

Last week Stark Exc. graded, set forms, and poured concrete gutter outlets and paved ditch. Stark also placed riprap in drainage ditch on north side of Lancaster Rd. Miller & Sons did earthwork on east side of bridge.

This week there will be a BOIL ORDER for residents on Croy Lane on TUESDAY. Also this week Stark will pour concrete gutter on both sides of Lancaster Rd. on west part of job. Also Miller & Sons will be placing aggregate base on Lancaster Rd. east of bridge.

Access to the east across bridge is prohibited until further notice so aggregate base for roadway can be placed.

During construction, Lancaster Road will remain CLOSED to through traffic. However, residents will still have access to their homes and property. With the existing roadway removed access will be maintained on gravel until the new pavement is installed later this year.

Weekly newsletters can be found on the Peoria County website at:
