**SUBJECT:** Lancaster Road Bridge Replacement

---

This week R. A. Cullinan & Miller & Sons final graded aggregate base on Lancaster Rd., Croy Lane, and all entrances.

Next week R. A. Cullinan will place asphalt base on Lancaster Rd., Croy Lane, and all entrances.

As of tonight, Thursday access to the east across bridge is prohibited until further notice due to excavation at ends of bridge to allow contractor to place thicker asphalt there.

The deadline for work completion is Friday, November 17, and the project is on pace to be completed on time.

During construction, Lancaster Road will remain CLOSED to through traffic. However, residents will still have access to their homes and property. With the existing roadway removed access will be maintained on gravel until the new pavement is installed later next week.

THERE HAVE BEEN REPORTS OF TRAFFIC FROM PEOPLE THAT DO NOT LIVE WITHIN THE WORK ZONE DRIVING THROUGH THE WORK ZONE AT NIGHT AND IN THE MORNINGS. THE ROAD REMAINS CLOSED TO TRAFFIC. POLICE PATROLS HAVE BEEN STARTED, AND ANYONE CAUGHT IN THE WORK ZONE THAT IS NOT THERE WITHOUT PERMISSION WILL BE TICKETED.

Weekly newsletters can be found on the Peoria County website at:
