SUBJECT: Lancaster Road Bridge Replacement

This week R. A. Cullinan placed asphalt on Lancaster Rd., Croy Lane, and all entrances.

Next week Miller & Sons will finish their earthwork and start placing topsoil on the slopes on Lancaster Rd.

The deadline for work completion is Friday, November 17, and the project is on pace to be completed on time.

During construction, Lancaster Road will remain CLOSED to through traffic. However, residents will still have access to their homes and property.

We have had reports of motorists using the roadway in the construction limits when workers are not present. The police are maintaining a presence in the area and will ticket anyone in the construction limits that does not live in the construction limits. Your cooperation is appreciated.
