SUBJECT: Report 06, Weekly Construction Update for Week Ending 04/22/2017

Construction that has occurred over the past week is as follows:

- Construction of each bridge abutment was completed, minus their wingwalls. The abutments are now ready to accept the placement of the bridge girders. The girders are currently scheduled to be delivered mid-May.

Construction that is currently planned for this coming week is as follows:

- Formwork will be stripped from the bridge abutments.
- Riprap will be graded up to the front of each abutment.

The project is being overseen by the Peoria County Highway Department. The current estimated completion date is October 2017. Weather and unforeseen conditions will always affect the schedule.
