SUBJECT: Report 09, Weekly Construction Update for Week Ending 05/20/2017

Construction that has occurred over the past week is as follows:

- New bolts arrived at the jobsite Tuesday morning. All of the original structural steel bolts were swapped out with the new bolts and then all of the bolts were fully tightened by the end of the work day.
- Construction of the bridge deck forms began.
- Reinforcement bars were installed into the top section of the bridge abutments.

Construction that is currently planned for this coming week is as follows:

- Construction of the bridge deck forms will continue.
- Tree removal debris might be disposed of.

The project is being overseen by the Peoria County Highway Department. The current estimated completion date is October 2017. Weather and unforeseen conditions will always affect the schedule.
