SUBJECT: Report 20, Weekly Construction Update for Week Ending 08/26/2017

Construction that has occurred over the past week is as follows:

- HMA bridge approach connectors were installed.
- All of the HMA paving was completed, which includes HMA binder, HMA surface and HMA shoulders.

Construction that is currently planned for this coming week is as follows:

- Aggregate shoulders will be installed.
- Bridge deck grooving will be done.
- Guardrail installation might begin.
- Protective coat might be applied to the bridge deck, provided the weather and concrete conditions are dry.

The project is being overseen by the Peoria County Highway Department. The current estimated completion date is October 2017. Weather and unforeseen conditions will always affect the schedule.
