**Subject:** Request to allow public comments prior to finalizing rules of order

Allen –

I am writing to request that the public be given an opportunity to comment on the rules of order prior to the committee taking action. We appreciate your efforts to minimize the need for attorney involvement in filing testimony etc., but remain concerned about the lack of evening hours for public comment. On behalf of Peoria Families Against Toxic Waste, I would like the opportunity to address the entire siting committee about the need to accommodate the public in the process.

Thanks for your time,

Tracy Fox
