Mr. Paul Rosenbohm  
Chairman  
Public Safety & Justice Committee

Honorable Paul P. Gilfillan  
Chief Judge of the Tenth Judicial Circuit

Dear Chairman Rosenbohm & Chief Judge Gilfillan,

Please consider this the monthly report for the Public Defender’s Office of Peoria County for the month of March 2019.

The Public Defender’s Office is continuing to serve the needs of those individuals in Peoria County charged with crimes and facing possible jail time and/or the potential loss of parental rights, including handling all appeals arising from adjudications seeking to terminate parental rights.

In an effort to address requests regarding the demographic profile of the clients of the Public Defender’s Office, I am working with the Circuit Clerk, IT Department and Odyssey to create a report which will generate several key demographic statistics for the overall profile of the clients of the Peoria County Public Defender’s Office. We have made progress but there is still refinement and further processes to be established in order to deliver this information in a reliable and consistent fashion.

ISSUE:
For RESOLUTION: Additional Appropriation into FY 2019 Sheriff’s Office Budget

BACKGROUND/DISCUSSION:

The Sheriff’s Office is requesting an additional appropriation of $64,000 to their FY 2019 budget for unforeseen expenses that were not anticipated at the time of FY 2019 budget adoption. The request is to cover an unanticipated retirement payout and funding for increased hours for a communication specialist position whose cost will be shared between the Sheriff’s Office and County Administration. This additional expense appropriation will be offset with increased revenue from the Medina Township police contract, so the net impact on the General Fund budget is neutral.

Based on the information above, staff recommends approval of the resolution.
