  Mr. Sorrel directed committee members to the monthly report included in the packet. There were no questions or comments from committee.

- ETSB
  Mr. Tuttle advised that construction has begun on the new 911 Centers in Peoria and Bartonville. He stated that Peoria Metro Construction was the successful bidder on the project, adding that the contractor and most sub-contractors are local companies. He advised that work on both centers is due to be complete by the end of February 2021.

- Emergency Management Agency
  Mr. Marks advised that collaboration continues with the Health Department on COVID-19 logistics response, PPE issues, and public assistance and funding.

Mr. Marks advised that discussions have been held with Bartonville area residents regarding damage suffered during a recent storm.
• **Public Defender Report**
Judge Lyons advised that the Public Defender intends to create a budget for FY2021 that would convert a number of part-time assistants to full-time assistants while not measurably increasing the overall budget. He announced the formation of a committee including himself, Judge Doscotch, Judge Vespa, the Court Administrator, and the Public Defender, the purpose of which is to assist the Public Defender in improving services while being mindful of budget considerations.

He said that the salary of State’s Attorney’s was raised with the adoption of the state fiscal year 2021 budget, and therefore the Public Defender’s salary must be increased as well. He stated that wage for the Public Defender has been increased to $161,064.62, and noted that 2/3 of the salary is reimbursed by the state.

A roll call vote was taken and the motion carried unanimously (10-0).

ISSUE: ILEAS To Provide the Peoria County Sheriff's Office with a 2020 LENCO Bearcat

BACKGROUND/DISCUSSION:
The Illinois Law Enforcement Alarm System (ILEAS) is offering Peoria County to be the custodian of a new 2020 LENCO Bearcat valued at $685,512.00 to used in accordance with the attached ILEAS Vehicle Agreement. Peoria County is currently the custodian of a 2006 LENCO Bearcat that was previously provided by ILEAS. As part of this agreement, Peoria County will also agree to terminate any previous agreements as it relates to the 2006 LENCO Bearcat so that it can be returned to ILEAS after the 2020 LENCO Bearcat is delivered.

A Bearcat is a fully armored vehicle that offers significant protections to ILEAS and CIERT members when managing critical incidents. With the Bearcat being located at Peoria County, it also becomes an available asset to other agencies through mutual aid requests when they are faced with emergency situations where the Bearcat can offer a tactical advantage and protection to officers.

DEPARTMENT: Sheriffs Office
DATE: 8/14/2020
ILEAS SRT  
Vehicle Agreement – LENCO Bearcat

1. PARTIES. The parties to this Agreement are the Illinois Law Enforcement Alarm System (ILEAS) and the County of Peoria (Peoria County).

2. AUTHORITY. ILEAS is a Public Agency of the State of Illinois created by various local law enforcement agencies throughout the State of Illinois pursuant to the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.). Peoria County is a county of the State of Illinois, and is one of the local law enforcement agencies that created ILEAS. This agreement between ILEAS and Peoria County is authorized under the provisions of the Constitution of the State of Illinois (Ill. Const. Art. VII, § 10), and the Intergovernmental Cooperation Act (5 ILCS 220/1 et seq.)

3. PURPOSE. The purpose of ILEAS is to support law enforcement mutual aid throughout the State of Illinois. Furthering that mission, ILEAS supports regional Special Response Teams (SRT) throughout the State of Illinois. Peoria County is a member of the Region 6/7 SRT. To support the SRTs, ILEAS has purchased a number of vehicles and seeks to locate the vehicles in various regions throughout the State of Illinois to provide prompt response to emergencies, disasters, and other calls for law enforcement mutual aid. Peoria County is willing to become the custodian of ILEAS vehicle(s) to facilitate law enforcement mutual aid in its region.

4. RESPONSIBILITIES.

   a. ILEAS shall:

      1) Provide the vehicle described in Attachment A to Peoria County.

      2) Inform Peoria County of any recall or product liability issue within a reasonable time of ILEAS being informed as the “purchaser of record” of the issue.

   b. Peoria County shall:

      1) Accept the vehicle described in Attachment A, obtain proper title and license for the vehicle, and insure the vehicle according to its own policies for insuring similar vehicles.

      2) Conduct appropriate and effective preventative maintenance and keep the vehicle in good operating condition at all times and be responsible for fuel, oil and other maintenance consumables, and all major repairs.
3) Store the vehicle in a safe location and make reasonable efforts to protect it from the outdoor elements when not in use.

4) Make the vehicle available upon call for mutual aid and interagency regional emergency responses, as requested either by ILEAS or IEMA.

5) Make the vehicle available to ILEAS or IEMA for regional training.

6) Make the vehicle available for inspection by any official of ILEAS or IEMA.

c. Peoria County shall not be responsible for the vehicle when it has been activated as a State resource and is outside the control and supervision of Peoria County.

d. ILEAS shall not be obligated to fund any capital replacement costs for the vehicle.

e. It is not the duty, function, responsibility or purpose of ILEAS to deploy, supply, direct, command or manage any law enforcement personnel.

5. USE OF THE VEHICLE. Peoria County will abide by the following conditions governing the use of the vehicle.

a. The vehicle shall only be used for official purposes.

b. The vehicle shall only be operated by official, trained employees of Peoria County, unless the vehicle has been transferred to another jurisdiction with the express prior consent of ILEAS.

c. The vehicle may be used by Peoria County as an asset for its own or regional critical incidents or training.

d. The vehicle shall not be used or operated contrary to law.

e. The vehicle will not be used for any race or competition.

f. The vehicle will not be operated in a negligent or reckless manner.

g. The vehicle will not be assigned to one person for use as a “take home” vehicle or used on a daily basis.

h. The vehicle will not be marked in any fashion without the written consent of ILEAS.

i. The vehicle will not be altered or modified in any significant manner without the consent of ILEAS.
j. The vehicle will not be removed from the State of Illinois without prior permission from the ILEAS.

6. **INSURANCE.** Peoria County shall fully indemnify ILEAS for any and all loss of or damage to the vehicle or equipment. Peoria County shall report all instances of theft, collision, or significant damage to the ILEAS Executive Director within three business days of their discovery. When this vehicle is activated by ILEAS or IEMA and not under the directed control and supervision of Peoria County, Peoria County will not be financially responsible for damage that may occur to the vehicle outside of the accepted insurance arrangement.

FOR RESOLUTION:

Annual appropriation of overtime expenses related to ILEAS (Illinois Law Enforcement Alarm System) training for the Peoria County Sheriff's Office.

BACKGROUND/DISCUSSION:

The Peoria County Sheriff's Office is a member of the Illinois Law Enforcement Alarm System (ILEAS). ILEAS receives grant funds from the Department of Homeland Security through the Illinois Emergency Management Agency (IEMA) and Illinois Terrorism Task Force. ILEAS is providing overtime reimbursement funds for various agencies throughout the state for training.

The Sheriff's office will be reimbursed for the training sessions held 1/13/20, 1/27/20, 2/10/20, 2/24/20, 3/16/20, 6/22/20, 07/27/20 and the remainder of 2020.

The amount of reimbursement is expected to be approximately $6,245 for the first six months of 2020. This amount was lower than normal due to COVID-19 restrictions and should pick up in the second half of the year. This amount is not budgeted due to the uncertainty of granting agency funding appropriation each year. This is the fourteenth year the Sheriff's Office is receiving ILEAS funds for training.

Rather than appropriate each time there is an expected reimbursement from ILEAS, the Sheriff's Office is requesting an appropriation of $20,000.00 for the entire year for ILEAS overtime and reimbursement.

COUNTY BOARD GOALS:

Collaboration  Financial Stability

STAFF RECOMMENDATION:

To appropriate the expense and revenue to the Sheriff's Office budget as listed above.

COMMITTEE ACTION:
