### **BRIMFIELD JUBILEE ROAD CONSTRUCTION NEWSLETTER # 5**

**July 6, 2021**

The concrete bridge deck was poured for the bridge on Thursday, July 1. The concrete will now be allowed to cure 7 days before the forms can be stripped. The next phase of the work includes performing earthwork when the site dries enough from the rains over the last week. Additional upcoming work includes construction of the approach concrete pavement at each end of the bridge.

Work is expected to be completed in October.

Weekly updates will be posted on the Peoria County Highway Department website. If anyone has any questions or concerns, please contact Mr. Jeff Gilles, Assistant County Engineer at (309) 697-6400 x 127 or via email at [jgilles@peoriacounty.org](mailto:jgilles@peoriacounty.org).
