

Summary of Contents

Illinois Select Core

Illinois Primary Law

Illinois Select combines caselaw, annotated statutes, Attorney General opinions, and other state materials for Illinois as well as KeyCite®, into a single, integrated research tool. West case synopses and headnotes summarize the facts, issues, procedural history, holdings and disposition of a decision – information that might otherwise be scattered throughout the opinion. Annotated Statutes include Statutory Credits, Historical and Statutory Notes, Cross-References, and Notes of Decisions that provide quick summaries of cases interpreting or applying the statute in question.

Illinois Select Modules

Illinois Analytical

Analytical gives you a single, comprehensive integrated legal research tool. This collection of state-specific information is a must.

Illinois Federal Materials

Includes cases contained in Supreme Court Reporter, Federal Reporter, and Federal Supplement cases for the Ninth Circuit, and United States Code Annotated (USCA).

National and Topical Modules

All Analytical

All Analytical combines expert legal analysis with forms, jury instructions and more. This impressive collection of titles enables quick review of specific points in familiar areas of law and helps you cover unfamiliar ground with speed and ease.

All Primary Law

All Primary Law compiles hundreds of state and federal law databases. It contains coast-to-coast coverage of cases, statutes, attorney general opinions, administrative codes, and more.

Westlaw®

Get unlimited access to the information you need.

Illinois Primary Law provides essential resources at a fixed rate. With unlimited access to your state's caselaw, statutes, administrative codes, AG Opinions, and law reviews and journals, you'll be able to find what you need with speed and ease.

WESTLAW ADVANTAGES

There are three core advantages that separate Westlaw® from other research services:

- **Comprehensive legal content**, including primary law, legal analysis, and litigation materials.
- **Tools to help you find it faster**, such as editorial enhancements, industry-leading search and linking technologies, 24/7 research assistance, and more.
- **Trusted accuracy** through case corrections and KeyCite®, the most complete, accurate, up-to-the-minute citation service.

And with WestlawNext™, we built on these core advantages to make legal research easier and more intuitive than ever before.

Editorial enhancements

West Key Number System

The West Key Number System® classifies American law into more than 400 topics – and 100,000 subtopics – relating to persons, property, contracts, torts, crimes, remedies, and government, accelerating your research by directing you to specific points of law.

Case Synopses and Headnotes

West case synopses and headnotes summarize the facts, issues, procedural history, holdings and disposition of a decision – information that might otherwise be scattered throughout the opinion.

Synopses and headnotes contain terms that may not have been used by the authoring judge, including terms of art and words that describe legally significant relationships among parties (e.g., landlord and tenant, husband and wife).

Annotated statutes

- Statutory Credits show you citations to session laws from which a statute was derived
- Historical and Statutory Notes reveal the history of a statute that may be significant in its construction and application
- Cross-References/Library References lead you to relevant Key Numbers and to law reviews, treatises, and administrative code provisions
- Notes of Decisions provide quick summaries of cases interpreting or applying the statute in question

KeyCite citation research service

KeyCite is the easy-to-use, powerful citator that covers more than 4 million reported cases, 20 million headnotes, 1 million unpublished decisions, USCA®, statutes for all 50 states and CFR.

This citator service verifies whether cases, statutes, administrative decisions and regulations remain good law. In addition, KeyCite links to citing cases, administrative decisions, more than 700 law reviews and other analytical sources such as ALR®, Am Jur® and Wright & Miller.*

THOMSON REUTERS™

Westlaw®

Get a quick review of specific points in familiar areas of law and cover unfamiliar ground with speed and ease.

Illinois Analytical presents a comprehensive collection of critical legal resource materials including Illinois Law and Practice, Illinois Practice Series, Nichols Civil Practice with Forms, Illinois Forms: Legal and Business, and Illinois Pattern Jury Instructions – Civil. This collection of state-specific information is a must for any attorney who practice in Illinois.

WESTLAW ADVANTAGES

There are three core advantages that separate Westlaw® from other research services:

- **Comprehensive legal content**, including primary law, legal analysis, and litigation materials.
- **Tools to help you find it faster**, such as editorial enhancements, industry-leading search and linking technologies, 24/7 research assistance, and more.
- **Trusted accuracy** through case corrections and KeyCite®, the most complete, accurate, up-to-the-minute citation service.

And with WestlawNext™, we built on these core advantages to make legal research easier and more intuitive than ever before.

Illinois Law and Practice

Whatever your area of practice, Illinois' most prominent legal encyclopedia can help you use your time most efficiently.

A-to-Z Coverage of Illinois Topics

Tap into thorough coverage of Illinois law, revised and rewritten in light of modern authorities and developments. Gain quick access to the law in a narrative form based on state and federal statutes and cases.

See All the Angles – From One Source

Illinois Law and Practice presents a comprehensive analysis of Illinois laws and their exceptions, qualifications, limitations and extensions, applying legal rules to varying facts of litigated cases.

Great Starting Point for Your Research

You can gather background information, determine applicable primary law, jump to the full text of cited sources, and find leads to forms and practice guides.

Illinois Practice Series

Each volume in this important series focuses on a specific aspect of Illinois law. You'll find advice and useful practice tips from acknowledged experts in the field – all certain to give you a strategic advantage. Extensive research aids help you quickly locate needed information. Forms act as a checklist to ensure accuracy, completeness, and proper terminology.

Nichols Illinois Civil Practice with Forms

Nichols describes in depth the steps to processing civil cases in Illinois from filing a pleading to appeal and review with supporting caselaw, statutes and court rules. Plus, there's no need to draft forms from scratch ever again. Nichols forms are ready to use. Or, compare clauses, select pertinent ones, and tailor forms to your clients' needs. Other key features include:

- Cross-references to related materials
- Practice tips from an experienced practitioner
- Checklists
- Easy-to-use index

Illinois Forms: Legal and Business

You get complete, contemporary coverage of the standard legal and business forms most commonly used in Illinois practice.

Many of these forms can be used exactly as printed. Others have accompanying provisions for speedy tailoring of a document to your specific needs. More than just the basic forms, you receive explanatory text and practice aids such as tables and checklists to apply the forms to your cases.

Illinois Pattern Jury Instructions – Civil

Rely on this source of instructions as set forth by the Illinois Supreme Court Committee on Jury Instructions in Civil Cases.

THOMSON REUTERS™

Westlaw®

Get just the federal materials you need – plus helpful editorial enhancements.

Illinois Federal Material includes cases contained in Supreme Court Reporter®, Federal Reporter® and Federal Supplement® cases for the 7th Circuit, and United States Code Annotated® (USCA®).

WESTLAW ADVANTAGES

There are three core advantages that separate Westlaw® from other research services:

- **Comprehensive legal content**, including primary law, legal analysis, and litigation materials.
- **Tools to help you find it faster**, such as editorial enhancements, industry-leading search and linking technologies, 24/7 research assistance, and more.
- **Trusted accuracy** through case corrections and KeyCite®, the most complete, accurate, up-to-the-minute citation service.

And with WestlawNext™, we built on these core advantages to make legal research easier and more intuitive than ever before.

Continue to enjoy the many benefits of using Westlaw

West Key Number System

The West Key Number System® classifies American law into more than 400 topics – 100,000 subtopics – relating to persons, property, contracts, torts, crimes, remedies, and government, accelerating your research by directing you to specific points of law.

Case synopses and headnotes

West case synopses and headnotes summarize the facts, issues, procedural history, holdings and disposition of a decision – information that might otherwise be scattered throughout the opinion.

Synopses and headnotes contain terms that may not have been used by the authoring judge, including terms of art and words that describe legally significant relationships among parties (e.g., landlord and tenant, husband and wife). As a result, a search can retrieve relevant cases that an opinion-only search might miss.

Annotated statutes

- Statutory Credits show you citations to session laws from which a statute was derived
- Historical and Statutory Notes reveal the history of a statute that may be significant in its construction and application
- Cross-References/Library References lead you to relevant Key Numbers and to law reviews, treatises and administrative code provisions
- Notes of Decisions provide quick summaries of cases interpreting or applying the statute in question

KeyCite citation research service

KeyCite is the powerful, easy-to-use citator that covers more than 4 million reported cases, 20 million headnotes, 1 million unpublished decisions, USCA, statutes for all 50 states and CFR.

This citator service verifies whether cases, statutes, administrative decisions and regulations remain good law. In addition, KeyCite links to citing cases, administrative decisions, more than 700 law reviews and other analytical sources such as ALR®, Am Jur® and Wright & Miller.*

Exclusive features

When you access this library on the Web, you can take advantage of these and many other timesaving features:

Most Cited Cases

Most Cited Cases® retrieves a list of cases most often cited for a particular point of law, which is identified by its Topic and Key Number. Researchers can customize results by selecting a jurisdiction, topic or date and adding search terms.

QuickView+

Boost cost recovery for your online research. QuickView+® lets you track Westlaw usage and charges with the convenience of Internet access.

THOMSON REUTERS™

Westlaw®

Combines expert legal analysis with forms, jury instructions, and more.

This impressive collection of titles enables quick review of specific points in familiar areas of law and helps you cover unfamiliar ground with speed and ease.

WESTLAW ADVANTAGES

There are three core advantages that separate Westlaw® from other research services:

- **Comprehensive legal content**, including primary law, legal analysis, and litigation materials.
- **Tools to help you find it faster**, such as editorial enhancements, industry-leading search and linking technologies, 24/7 research assistance, and more.
- **Trusted accuracy** through case corrections and KeyCite®, the most complete, accurate, up-to-the-minute citation service.

And with WestlawNext™, we built on these core advantages to make legal research easier and more intuitive than ever before.

American Law Reports (ALR®)

A superior collection of annotations that evaluates all caselaw relevant to a specific point of law. Examines both sides of an issue, to help you anticipate your opponent's arguments.

American Jurisprudence 2d (Am Jur®)

Encyclopedic coverage of more than 400 topics. Helps you gain a quick understanding of unfamiliar areas of law, so you can propose a sound course of action.

Restatement of the Law

A chronological perspective of your specific points of law, accepted in many courts as persuasive authority. Explains the current status of the law, and where it is likely to go in the future.

Am Jur Pleading & Practice Forms Annotated

More than 36,500 forms covering every stage of state and federal litigation.

Am Jur Proof of Facts

Winning case foundations and presentations with articles by experts well known in their fields add authoritative and decisive insights to the premise of your case.

American Jurisprudence Trials

Articles showcasing successful strategies in actual cases. Model Trial Articles covers the spectrum of personal injury, business, and criminal litigation.

Causes of Action

Articles on virtually every type of civil action, with legal analysis to assess whether your case or defense will hold up in court.

Wright & Miller Federal Practice and Procedure®

The definitive treatise on practicing law in the federal courts.

West's® Federal Forms

Litigation-tested federal procedural forms, with accompanying commentary for use in civil and criminal litigation.

Federal Procedure

A topically driven practice guide to federal, civil, criminal, and administrative procedure.

Federal Procedural Forms

A compilation of practice-tested, up-to-date federal forms to accompany the Federal Procedure treatise.

Handbook of Federal Evidence

Follows the Federal Rules of Evidence, and includes the full text of each rule and its legislative and committee history.

Federal Jury Practice and Instructions

Background information, commentary, model/pattern instructions, and citations.

Law Reviews and Journals

A collection of more than 600 of the most respected law reviews and bar journals.

THOMSON REUTERS™

Westlaw®

Find federal and state law in seconds, whenever you need it.

All Primary Law compiles hundreds of resources into a convenient package and lets you search as broadly or narrowly as you like.

WESTLAW ADVANTAGES

There are three core advantages that separate Westlaw® from other research services:

- **Comprehensive legal content**, including primary law, legal analysis, and litigation materials.
- **Tools to help you find it faster**, such as editorial enhancements, industry-leading search and linking technologies, 24/7 research assistance, and more.
- **Trusted accuracy** through case corrections and KeyCite®, the most complete, accurate, up-to-the-minute citation service.

And with WestlawNext™, we built on these core advantages to make legal research easier and more intuitive than ever before.

A wider, clearer view of the law

Oftentimes, the answers you need are outside your home jurisdiction, or perhaps you simply want to broaden your legal horizon and follow developments elsewhere in the United States.

All Primary Law brings distant jurisdictions to you, and helps you locate the law you need to get your job done.

Coast-to-coast state coverage

The 50-state coverage includes:

- Cases from state courts and federal courts within the state, with court rules and orders
- Annotated and unannotated statutes
- Attorney general opinions
- Administrative codes, registers, bulletins and other materials
- Municipal codes and charters (selected cities)

And numerous federal law resources

- Cases from the U.S. Supreme Court, courts of appeals, district courts and specialty courts
- United States Code Annotated®, unannotated statutes and uniform laws
- U.S. Code Congressional and Administrative News®
- Code of Federal Regulations
- Administrative decisions, bulletins and other materials
- Congressional testimony and political transcripts
- District of Columbia and U.S. territorial law

All the Westlaw advantages

All Primary Law makes your research easier, more accurate and more efficient. Included with the state and federal law databases are tools such as:

- KeyCite and KeyCite Alert – quick, up-to-date citation checking so you can be assured that your statute or case is still good law
- Streamlined statutory research – link immediately to expert analysis, practice guidance and forms
- West Key Number System® – the consistent, precise way to search across jurisdictional lines
- West's editorial enhancements – headnotes and case synopses, legislative history, references, tables, indexes and other timesaving information
