...

The Rules of Practice of the Circuit Court of the Tenth Judicial Circuit are hereby amended by adding the following additional rule, E-Filing for the Tenth Judicial Circuit Court.

E-Filing Rules for the Tenth Judicial Circuit

AUTHORITY

The Illinois Supreme Court issued Order M.R. 18368 effective January 1, 2013 which approved civil case types to be filed electronically. The *Electronic Filing Standards and Principles* were approved by the Supreme Court on October 24, 2012 and implemented effective January 1, 2013. In November, 2012, the Supreme Court approved *Electronic Filing Guidelines* for application to implement an electronic filing program to be used to guide the Circuit Courts through the application process. Effective September 16, 2014, the Supreme Court expanded the Standards to include Criminal case types. On January 22, 2016, the Illinois Supreme Court announced that electronic filing in civil cases will be required in all circuit courts effective January 1, 2018.

EFFECTIVE DATE

These rules shall become effective on **December 1, 2016**, and remain in effect until further order.

TIME OF FILING, ACCEPTANCE BY THE CLERK AND ELECTRONIC FILING STAMP

- (a) Any document filed electronically shall be considered as filed with the Clerk of the Circuit Court upon review and acceptance, and the transmission has been completed with the Clerk's electronic filing stamp.
- (b) A person who files a document electronically shall have the same responsibility as a person filing a document in the conventional manner for ensuring that the document is complete, readable and properly filed.
- (c) The transmission date and time of transfer shall govern the electronic filing mark. Pleadings received by the Clerk before midnight on a day the Circuit Clerk's office is open shall be deemed filed that day. If filed on a day the Circuit Clerk's office is not open for business, the document will be deemed filed the next business day.
- (d) Upon receipt by the vendor, and submission of an electronic document to the Clerk, the vendor shall issue a confirmation to the Subscriber. The confirmation shall indicate the time and date of receipt, and serve as proof that the document has been submitted to the Clerk. A Subscriber will receive e-mail notification from the vendor if a document is not accepted by the Clerk's office. In that event, the Subscriber may be required to re-file the document to meet the necessary filing requirements.
- (e) Each document reviewed and accepted for filing by the Clerk of Court shall receive an electronic file stamp. The stamp shall be endorsed in the name of the Circuit Clerk and shall include the identification of the court, the official time and date of filing and contain the work "FILED". This file stamp shall be merged with the electronic document and shall be visible when the document is printed and viewed on-line. Electronic documents are not officially filed without the electronic filing stamp. Filings so endorsed shall have the same force and effect as documents time stamped in the conventional manner. While the case is pending, the Clerk shall retain an

audit trail of submission, acceptance, and filing of electronic documents by recording the dates and times transmitted, received, and accepted or rejected.

ELECTRONIC SERVICE, COURTESY COPIES AND FILING PROOF OF SERVICE

- (a) Electronic service is not capable of conferring jurisdiction. Therefore, regarding electronically filed cases, documents that require service of process to confer jurisdiction as a matter of law may not be served electronically, but must be served in the conventional manner. Personal service shall be made as required by law.
- (b) All other documents may be served upon the other parties or their representatives electronically. The filing party or attorney shall be responsible for completing electronic service of these other documents.
- (c) E-service shall be made in accordance with Supreme Court Rule 12, and shall be deemed complete at the posted date and time of transmission listed by the E-service vendor. However, for the purpose of computing time for any other party to respond, any document electronically served is deemed to be served on the first court day following transmission. The electronic service of a pleading or other document shall be considered as valid and effective service on all parties and shall have the same legal effect as personal service of an original paper document.
- (d) If electronic service on a party does not occur, the party to be served shall, absent extraordinary circumstances, be entitled to an order extending the date for any response or the period within which any right, duty or other act must be performed.
- (e) The E-filing vendor is required to maintain and e-service list for each electronically filed case. The vendor shall immediately update the service list upon being given notice of new contact information.
- (f) All Subscribers and other participants must immediately, but not later than ten (10) business days prior to when such a change takes effect, notify other parties, the Clerk and the E-filing vendor of any change of firm name, delivery address; fax number or e-mail address.
- (g) Courtesy copies of documents customarily required to be provided to the Court shall continue to be required in E-file cases, absent a specific court order to the contrary.
- (h) The e-filing system will make a file-stamped copy of the filing available on the e-filing site at no additional cost to the Filer by sending a link to the Filer for that filing.
- (i) Copies of any document or certification of same shall be available to the requesting party at a reasonable cost, including all applicable fees as set by rule or statute.
- (j) A means of electronic service on registered attorneys in criminal cases may be established as part of the e-filing system. When service is required by the

Clerk, the Clerk of the Court may serve electronically to the attorney and shall record in the official court record the effective date and time of service. Service of documents in criminal cases to a Pro-se defendant who is not represented by counsel shall, unless waived, be made as otherwise provided by rule or statute.

ADDITIONAL PROVISIONS

- (a) The Filer may use the e-filing system to request the scheduling of matters. Hearings may not be set solely by the Filer by use of a message accompanying an e-filing. Hearings shall be scheduled with the Court per existing practices.
- (b) By becoming a Filer, Filer consents to receive e-service on all cases on which they are listed as attorney of record in the court's case management system.
- (c) In order to e-file on a case, Filer must be listed as attorney of record on the case in the court's case management system. An attorney shall not file a document on behalf of another attorney, even as co-counsel.

COLLECTION OF FEES

- (a) The e-filing of a document requiring payment of a statutory filing fee to the Clerk of the Court in order to achieve valid filing status shall be filed electronically in the same manner as any other e-file document. Pleadings not accompanied by the appropriate filing fee will be rejected by the clerk.
- (b) All Subscribers shall maintain a valid credit card on file with the e-filing vendor for the payment of statutory filing fees, or utilize the e-check payment option offered by the E-filing vendor. Peoria County also offers a draw-down account option for payment.
- (c) Fees charged to E-filing subscribers by the vendor for vendor services are solely the property of the vendor and are in addition to any statutory fees associated with statutory filing fees.
- (d) At the end of each business day, the vendor shall electronically transmit to the Clerk's bank account all statutory filing fees required for that day's electronic filings. The vendor shall electronically provide the Clerk a detailed breakdown including case number, type of transaction and party being billed for the payment for each deposit. The vendor shall act as a limited agent for the Clerk and collect such required filing fees from the Subscriber through direct billing of that Subscriber, unless payment of the fee has been waived by court order or law.
- (e) When the electronic filing includes a request for waiver of fees by a petition for indigence, payment of the requisite fees shall be stayed until the court rules on the petition.
- (f) Filing initiated by court partner agencies in criminal cases (e.g. State's Attorney, Public Defender, Attorney General, law enforcement) shall be

exempted from the payment of filing fees and any vendor fees, when appropriate.

SYSTEM OR USER ERRORS

- (a) The Court and Clerk of the Circuit Court shall not be liable for malfunction or errors occurring in electronic transmission or receipt of electronically filed or served documents.
- (b) If the electronic filing is not filed with the Clerk because of (1) an error in the transmission of the document to the Vendor which was unknown to the sending party or (2) a failure to process the electronic filing when received by the vendor or (3) rejection by the Circuit Clerk or (4) other technical problems experienced by the filer or (5) the party was erroneously excluded from the service list, the Court may upon satisfactory proof enter an order permitting the document to be subsequently filed effective as of the date filing was first attempted.
- (c) In the case of a filing error, absent extraordinary circumstances, anyone prejudiced by the court's order to accept a subsequent filing effective as of the date filing was first attempted, shall be entitled to an order extending the date for any response, or the period within which any right, duty or other act must be performed.

VENDOR CONDITIONS

- (a) E-filing vendor(s) with *Electronic Information Project Agreements* executed with the Clerk of the Circuit Court are hereby appointed to be the agent of the Clerk of the Circuit Court regarding electronic filing, receipt, and service and/or retrieval of any pleading or document via the E-filing vendor system.
- (b) The E-filing vendor shall make electronically filed documents, and documents being served electronically through the E-filing vendor's system, available to subscribers and the designated court authorized users through the E-filing vendor's system in accordance with the current contract between the Clerk and the E-filing vendor, and consistent with the Supreme Court's *Electronic Access Policy for Circuit Clerk Records of the Illinois Courts*.
- (c) The E-filing vendor may require payment of a fee or impose other reasonable requirements by contract with a subscriber as conditions for processing electronic filings. Pursuant to contract terms, the E-filing vendor must provide services but is not permitted to require payment of a fee for government users or parties deemed indigent by the Court.
- (d) The Chief Judge of the Court or his/her designee, in coordination with the Clerk of the Court, shall review and approve the terms of the Subscriber Agreement. The vendor shall provide at least 30 days' notice prior to the effective date of any Subscriber Agreement changes.

- (e) Ownership of the documents and access to the data associated with all E-filed documents remains with the court. The electronic documents processed by the E-filing vendor remain the property of the Court and neither the documents nor the data from the documents and/or transactions shall be used by the E-filing vendor for any purpose other than those specifically authorized by the Chief Judge of this Court or his/her designee, in coordination with the Clerk of the Court.

This addendum to the Tenth Judicial Local Rules is adopted on the 1st day of December, 2016.

Hon. Stephen A. Kouri, Chief Judge
