### Application for Reapplying for Interim and/or Emergency Assistance

I, \_\_\_\_\_ am reapplying for assistance with the VACPC. I understand that any additional requirements that the VAC requests of me will need to be completed before my application is processed. I understand I am solely responsible for turning in any documents that are required. I will take directions from the VAC in order to complete my application. I also understand that receiving assistance is not guaranteed. After all requirements are met, I know that the VAC has 30 days to make a decision.

I am seeking assistance with:

Rent/Mortgage

Water Bill

Utilities Bill

(The VAC does not help with pass due bills!)

**It is the responsibly of the applicant to inform the VAC of any changes since the previous time for applying for assistance. By signing this form you are verifying that you have informed the VAC of any and all changes which can include but not be limited to: income, marital status, dependents, residency, employment, etc.**
