

Freedom isn't free.

Many Peoria County citizens gave their lives in defense of freedom in conflicts since World War II. With your help, we will be able to complete the War Memorial Project and honor these veterans with a new Veterans' Memorial. The new memorial will be a beautiful place to remember loved ones and will offer historical education for generations to come. The Veterans' Memorial will join the Civil War Monument and World Wars I & II Memorial at the Peoria County Courthouse Plaza.

The Peoria County Veterans' Memorial Committee is an Advisory Committee of the Peoria County Board.
